ANNOUNCEMENT

Verbier Summit and Springer-Palgrave Mac Millan Partner to Publish the Leading Annual Sustainable Finance Anthology, and Opens Call for Papers to Academics, Scientists and Practitioners

LONDON, UK/VERBIER, Switzerland — SEPTEMBER 16, 2024 — Verbier Summit, the global Sustainability and Finance Forum in the Alps has partnered with one of the leading global scientific publishing companies *Springer-Palgrave Mac Millan* to publish a new annual Anthology on Sustainable Finance with co-Editors from the University of Zurich, World Meteorological Organisation (WMO), Springer, and ITMO Ltd.

A First Book series of this kind, “**Climate Finance for Climate Action**” this publication aims to delve into the evolving field of climate finance, focusing on the transformative scientific findings, methods and methodologies, taxonomies, market and finance forces and actors that are playing a role shaping sustainable and innovative practices in the industry.

Connecting implementation of climate action through finance, investment and financial structuring, *Climate Finance for Climate Action* (CF4CA) offers first hand insights on scientific pioneer knowledge on climate change, effectiveness of climate mitigation and climate finance potential. CF4CA provides readers with models and roadmap for climate finance activities. Some of the topics explored include:

1. **Carbon and GHG Reduction Finance**
2. **De-risking Climate Challenges**
3. **Climate Financing**
4. **International Climate Finance**
5. **Green Finance**
6. **Green Financial System**
7. **Modelling Climate Risks**
8. **Policy Issues of Climate Finance**
9. **Sustainable Finance**

Call for Papers is now open. The Verbier Summit is now calling academics, scientists and practitioners for contributing chapters, case studies, or expert commentaries on any of the topics mentioned above, particularly in areas that align with their specialization.

Deadline for submitting a contribution is December 31, 2024

“Verbier Summit’s goal has always been to be the Leading Forum on Sustainable Finance. So we are delighted about this partnership as we will not only stimulate the global Sustainable
